

I am proud to support The Tallahassee Ballet (TTB) each year by hosting **THE NUTCRACKER GOLF CLASSIC**.

Since its founding in 1972, TTB has provided training, discipline, direction, and leadership for some of our community's most talented young people.

TTB is the area's only professional ballet company, and continues to dazzle local residents with outstanding renditions of some of the world's most renowned ballets highlighted by exquisite music, original costumes, and innovative choreography.

Proceeds from this event not only raise the supplemental funds needed to present quality ballet productions, but also help to support its many community outreach programs including DanceChance. Through this program, TTB provides tuition-free instruction to area youth in afterschool programs identified as 21st Century Community Learning Centers and/or Title 1 schools. Ten public elementary schools participate in the DanceChance program.

Join me on the links at the premier Seminole Legacy Golf Club for a day full of fun and an opportunity to show your community support for this cherished arts program that has been enriching our community for more than 50 years.

Sincerely,

Lisa Graganella
