

Dear Valued Community Member,

The Tallahassee Ballet is a not-for-profit institution that has enhanced our community through the art of ballet for more than 50 years. The Tallahassee Ballet performs three major productions each season, each including live musical accompaniment, custom-made costumes, renowned guest artists, and inspiring dancers. I am excited to serve as your ambassador to support The Ballet in continuing our mission to strengthen the cultural landscape of our city and make our state capital a thriving center for Florida arts and culture.

WE CANNOT DO IT WITHOUT YOUR SUPPORT.

I will personally answer any questions you may have to determine the ideal donor level for your organization. It is through corporate partnerships with local businesses that we continue to expand our programming. I invite you to look over the various levels at which you can support The Tallahassee Ballet.

We look forward to your organization being a valued part of The Tallahassee Ballet family. We would love to have you on board as we embark on our 50-year celebration season.

Sincerely,
Lauren Hernandez
