# BECOME A DONOR

In addition to your Season Subscription, please consider becoming an honored donor. Your donation helps The Tallahassee Ballet maintain our reputation as the most acclaimed dance organization in our area, while enriching the arts community for generations.

We need and value your support. Your donation will help with additional costs for the company dancers and musicians. For example:

- ▶ Professional dancers require a full-time salary and health care. They must rehearse and take classes daily to stay in shape to protect themselves from injury and expand their artistic expression.
- ▶ A professional dancer can use 20-30 shoes per season. One pair of pointe shoes costs about \$100.
- ▶ A live orchestra is made up of close to 50 paid musicians, costing approximately \$16,000 per performance.
- ▶ Theatre rental costs exceed \$32,000 for the space and stagehands per performance.

These are just examples of finances involved in bringing a performance to the stage. Performances are only one aspect of The Tallahassee Ballet.

- ▶ We nurture young dancers from ALL economic communities within our area through our DanceChance outreach program with free dance instruction.
- ▶ We offer school children performance tickets at significantly reduced prices.
- ▶ We provide an outlet for artists to earn a living in their fields.
- ▶ We provide a safe place for young people to learn how to be contributing community members and boost self-confidence.
